ACTIVITIES

POOL TABLES

Who doesn't like a little friendly competition? Leave your guests to challenge each other on their own or allow us to organize a tournament for you. There are plenty of pool tables to go around (13 full size pool tables

and 27 Bar box tables) but reserving your space well ahead of time is recommended. But if you're guests aren't big fans of billiards (who isn't?) We have several activities for every guest to choose from.

GOLF

ZONE
GOLF in

Golf In produces high-end golf simulators and Tailgators has two of them. You can play over twelve famous courses or simply go toe-to-toe in the driving range with your party guests. If you forgot your clubs at home we have sets for righties and lefties. So, why not add this element to your party?

FOOSBALL

Due to our awesome foosball leagues we have some equally awesome foosball tables. There are six tables in one area of Tailgators. If you have some Foosball aficionados in your group be sure to request an area near the tables but there is a seventh in the suites. These machines are coin operated.

PING-PONG

Ping Pong is new to Tailgators but has proven to be very popular. We have large Ping Pong tables that can be moved around based on your requirements as well as Ping Pong tables that can be set up on pool tables to keep everyone close to the action. When planning your event be sure to request a ping pong table or two in order to secure it.

DARTS

Do you like throwing darts but don't like all the math, score keeping and complicated rules? Then DARTSLIVE2 is the game for you! Electronic Darts uses plastic tips (safer, right?), counts the score and has several fun games to try out. They are coin operated machines but you can add a role of Loonies to your invoice.
